

## **TEAM NAME POLICY**

As a youth hockey league, team names that contain profanity, obscenities, or any other words or sentiments that can be considered offensive and/or appropriate are not allowed. This includes names that contain innuendos of sexual nature.

Teams will be notified by the League Office if their name infringes on these guidelines and will be required to change their team name.

The CCHL reserves the right to censor or alter any team names that violate this policy.
